**WAKHJAKT frg01 5-in-1 Automatic Moving Cat Ball**

**Launch Date:** January 15, 2024

**Price:** \$22.87

## Introduction

The WAKHJAKT FRG01 5-in-1 Automatic Moving Cat Ball is the best toy for keeping your cat happy, busy, and mentally sharp. This unique pet toy has a lot of great features, such as light-up effects, motion-based play, and a strong construction. The WAKHJAKT FRG01 is a lot of fun for cats of all sizes, especially small breeds, because it moves on its own and has a USB Type-C recharging battery. The ABS, silicone, and TPU materials in the toy make it safe and long-lasting, and its small size makes it great for any room inside. It only takes an hour to charge, so it's easy to use every day. This ball is fun for cats to chase, pounce on, and play with, which helps them relax and get some exercise. The WAKHJAKT FRG01 is a great choice whether your cat likes to hunt for fun or needs mental exercise. The fact that it is small and light makes it perfect for indoor use, and the stylish gray color gives it a modern look. With the WAKHJAKT FRG01, you can make your cat happy and excited.

## Specifications

- **Target Species:** Cat
- **Breed Recommendation:** Small
- **Pet Toy Type:** Ball
- **Dog Breed Size:** Small
- **Additional Features:** Light-Up
- **Charging Method:** USB Type-C
- **Battery Capacity:** 500mAh

- **Charging Voltage/Current:** 5V, 500mA
- **Charging Time:** About 60 minutes
- **Product Material:** ABS (Acrylonitrile Butadiene Styrene), Silicone, TPU (Thermoplastic Polyurethane)
- **Item Shape:** Round
- **Color:** Grey
- **Style:** Automatic
- **Theme:** Pet Entertainment
- **Product Size:** 59mm x 59mm
- **Item Dimensions (L x W x H):** 2.87" x 2.36" x 4.17"
- **Unit Count:** 1.00

## Package Includes

- WAKHJAKT frg01 Automatic Moving Cat Ball
- USB charging cable
- Detachable feather attachment
- User manual
- Replacement LED cover

## Features

### 1. Interactive Design with 5 in 1

The toy has a rolling motion, LED lights, a feather attachment, sound triggers, and motion sensors, so your cat will have a fun and active time playing with it.

### 2. Control for two speeds

- **High Speed:** This is great for busy cats, young cats, and even small dogs because it gives them fun ways to burn off energy.
- **Low Speed:** This speed is great for older, shy, or lazy cats because it encourages gentle play without scaring them.

### 3. **Moving automatically along irregular paths**

Five irregular patterns—forward, backward, left, right, and circular—are meant to mimic the natural movements of prey. This will stimulate your cat's hunting skills and keep its mind sharp.

### 4. **Smart chip built-in**

The toy reacts to what your cat does thanks to smart chip technology. It turns off to save energy after three minutes of not being used. The toy can be turned back on with a simple touch or sound, making it fun and engaging.

### 5. **Feather attachments that can be taken off**

Five add-ons that can be switched out: two feather toys, two worm toys with bells, and a catnip rainbow tail toy. Your cat will never get bored with this toy because it can be used in different ways.

### 6. **Better silicone wheels that don't get damaged easily**

Comes with soft rubber wheels that won't scratch hard floors, tiles, or carpets and will also cut down on noise. Cats don't have to worry about loud noises when they play.

#### 7. **Wood that is strong, safe, and good for pets**

The toy is made of high-quality ABS, silicone, and TPU, so it can handle rough play and is safe for cats.

#### 8. **LED lights that you can interact with**

As the toy moves, bright, multicolored LED lights flash, keeping your cat's attention and making it fun, even when it's dark outside or at night.

9. Features of a USB-rechargeable battery Fast charging with Type-C. The toy can be played with for 5 to 7 hours or left on hold for up to 28 days. It only takes an hour to charge. It's good for the earth and saves money because it doesn't need disposable batteries.

## 10. **Design that is small and light**

The toy is easy to take, store, and move around because it's not heavy. This makes it great for use inside.

## 11. **Wake up with sound and touch**

The clever feature in the ball lets it react to your cat's touch or sounds, so you don't have to keep an eye on it all the time. A sound can bring the toy back if it rolls out of sight.

## 12. **Gets people to exercise and makes them feel less lonely**

The rolling ball will keep your pet busy and prevent them from getting bored, especially if you leave them alone.

## **Usage**

1. Charge the cat ball using the included USB cable until the indicator light turns green.
2. Attach the feather or LED cover as desired.
3. Turn on the ball using the power button.
4. Place the ball on the floor and let it roll freely.
5. Watch as your cat interacts with the ball, enjoying hours of entertainment.

## **Care and Maintenance**

1. **Cleaning:** Wipe the ball with a damp cloth to remove dust and debris. Avoid using harsh chemicals.
2. **Charging:** Use the included USB cable and avoid overcharging to prolong battery life.
3. **Feather Attachment:** Replace the feather attachment if it becomes worn out to ensure safe play.
4. **Storage:** Store in a cool, dry place when not in use to protect the electronic components.
5. **Inspection:** Regularly inspect the toy for damage or loose parts to prevent choking hazards.

## **Troubleshooting**

### **Ball Not Moving:**

- Ensure the battery is fully charged.
- Check the power button and reset it if needed.

### **LED Lights Not Working:**

- Confirm that the LED cover is properly attached.
- Recharge the battery and test again.

### **Motion Sensors Unresponsive:**

- Clean the sensors with a soft cloth to remove dust.
- Restart the ball and ensure it is placed on a flat surface.

### **Feather Attachment Falling Off:**

- Check if the attachment is securely fixed in place. Replace if necessary.

Short Battery Life:

- Ensure the ball is powered off after use. Avoid overcharging or undercharging the battery.

Pros and Cons

Pros	Cons
Engaging automatic movement	May require frequent charging
Adjustable speed settings	Not suitable for outdoor use
Bright LED lights enhance playtime	Limited color options are available
