 A technical diagram of the Waring WCIC20 2 Qt. Compressor Ice Cream Maker. The diagram shows the machine from a front-three-quarter view, highlighting its compact, boxy design. It includes a top-loading lid, a control panel on the right side, and a base with a compressor unit. A small inset diagram shows the internal components, including the mixing paddle and the ice cream bucket. The Waring logo is visible in the top right corner of the diagram.	WARING WCIC20 2 Qt.
