SAFETY INSTRUCTIONS

1. **Read All Instructions Before Setup**

Carefully read the included manual and follow all assembly steps to prevent damage or injury.

2. **Handle With Care**

Panels and frames can be damaged by excessive force. Always handle components gently during transport and assembly.

3. **Use on a Flat, Stable Surface**

Ensure the display is set up on a level, stable surface to prevent tipping or instability.

4. **Secure All Connections**

Double-check all connectors, clips, and support bars are locked in place before the display is used.

5. **Avoid Windy or Wet Conditions**

This display is designed for indoor use. Do not use it outdoors in windy or wet conditions without proper anchoring or weather protection.

6. **Do Not Climb or Hang Items**

Never climb, lean on, or hang heavy objects on the frame or fabric panels, as this may cause the structure to collapse.

7. Keep Away from Heat Sources

Avoid placing the display near heaters, open flames, or other heat sources that may damage the fabric or frame.

8. Store Properly

Disassemble and store the display in its original case or a protective bag when not in use to prevent wear and damage.

9. Adult Assembly Recommended

To avoid injury or incorrect setup, have at least one adult assist in assembling the frame and graphic panels.

10. Inspect Before Use

Before each use, inspect the frame and fabric for any signs of wear, bending, or damage. Do not use if parts are compromised.
