### Installeer de gratis Webasto ChargeConnect mobiele app

Download de app

Registreer  
Voer de gegevens in  
Login

The diagram illustrates the registration process in three steps:

- Step 1: Login** - A form with fields for "user@email.com" and "Password\*", a "Log In" button, and a "Forgot Password?" link. A link at the bottom says "You don't have an account? Sign Up" and "Continue as a guest".
- Step 2: Sign Up** - A form with fields for "First Name\*", "Last Name\*", and "user@email.com". It includes a checkbox for "I hereby agree with the general Terms & Conditions and Data Protection Agreement.\*" and a "Sign Up" button.
- Step 3: Log In** - A form with fields for "user@email.com" and "Password" (with a lock icon). It includes a "Log In" button with a checkmark and a "Forgot Password?" link.

Arrows indicate the flow from Step 1 to Step 2, and from Step 2 to Step 3.

## Voeg een nieuw Webasto laadstation toe aan uw account

Open Chargers kies Residentials & klik op Add  
Bevestig het proces

(1) Scan (scan QR code) of

(2) Manual (handmatige gegevensinvoer) Gegevens uit de gebruikershandleiding.

The diagram shows the Webasto app interface with the following steps:

- Dashboard** - A menu with "Chargers", "Charge", "Bookings", and "Sessions". The "Residentials" tab is selected.
- Add** - A button to add a new charging station.
- Add a chargingstation to your residential account?** - A dialog box with "No" and "Yes" options. The "Next" button is highlighted.
- Manual** - A button to manually enter details.
- Scan** - A button to scan a QR code.
- Webasto ChargeConnect App** - A notification that says "Webasto ChargeConnect App" Wants to Join Wi-Fi Network Next-WS#####? with "Cancel" and "Join" buttons.
- Log in by entering your credentials details:** - A form with fields for "Charger Network SSID", "Charger Network Password", and "Enter Login passv". It includes "Back" and "Connect" buttons.

Arrows indicate the flow from the "Add" button to the "Add a chargingstation" dialog, then to the "Manual" or "Scan" options, and finally to the login details form.

Voer een naam in en bevestig.

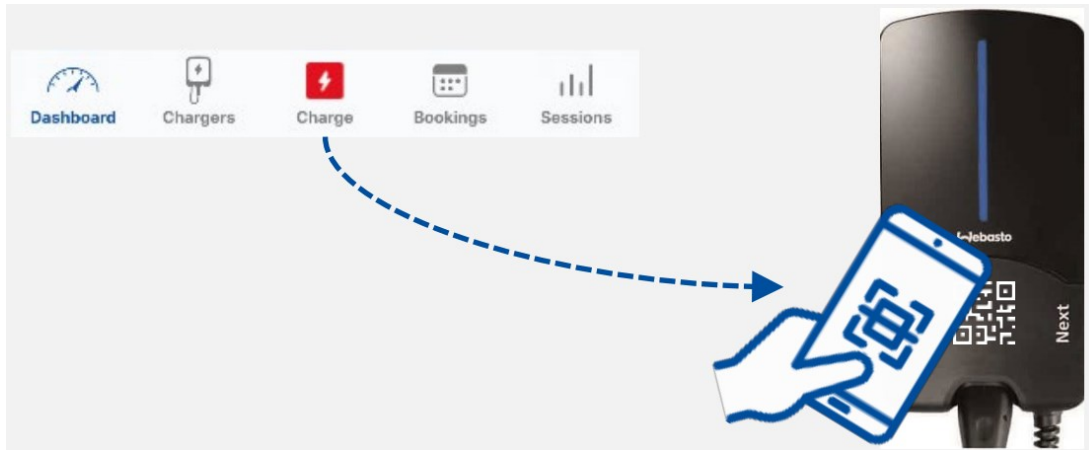

The form shows the process to name the charging station:

- Field 1:** Contains the text "NEXT-WS100202".
- Field 2:** Contains the text "Give your chargingstation a name".
- Submit:** A yellow button with a checkmark.

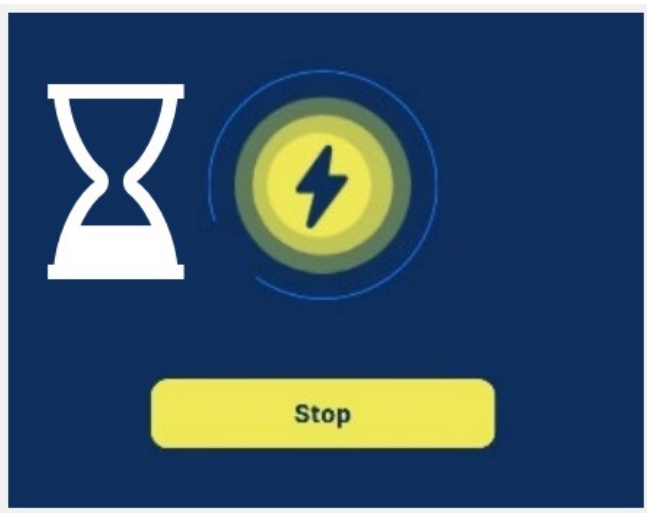

Arrows indicate the flow from the first field to the second field, and then to the "Submit" button.

## Start een laadsessie door het scannen van de QR code

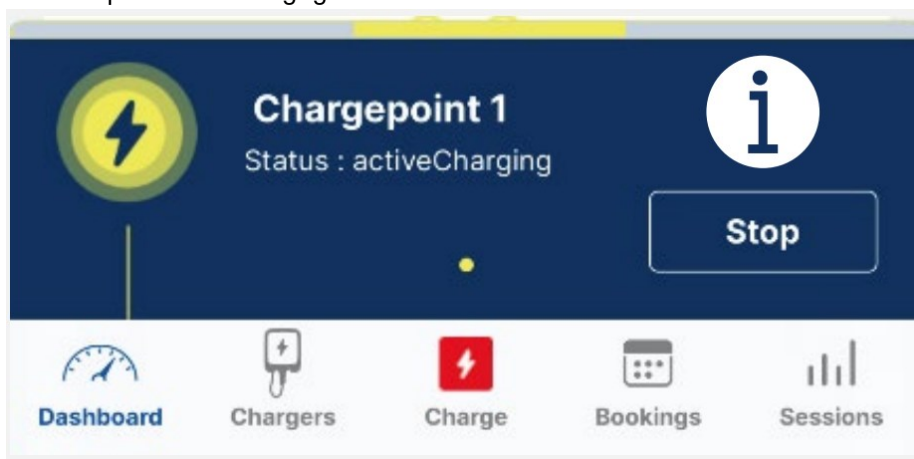

Open Charge  
Scan de QR Code

Moment geduld

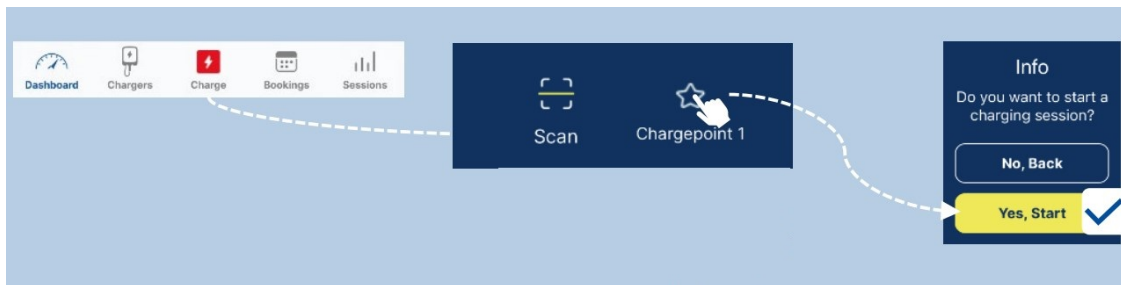

Het laadproces is weergegeven in het dashboard
