COMPATIBLE

	iOS		Android
---	-----	---	---------

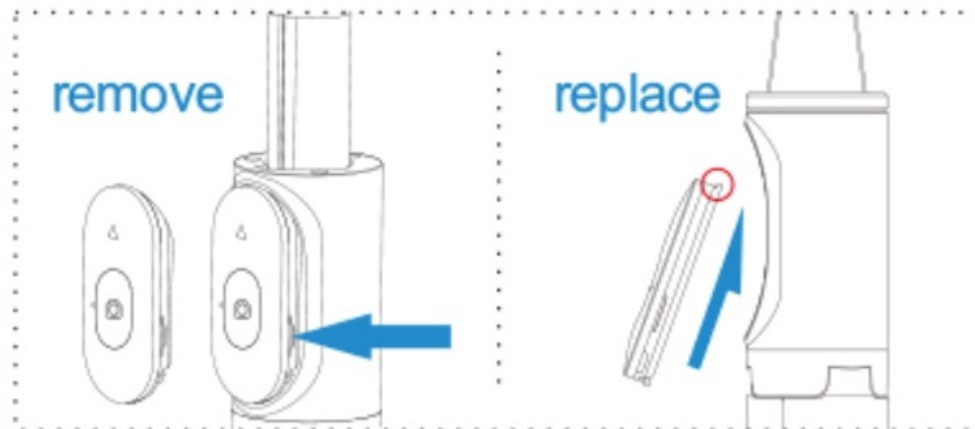

HOW TO USE

1. Turn on: Press and hold the remote button for 3 seconds, until the LED indicator flashes blue, to turn on.

2. Pairing mode: The LED indicator will flash every 2 seconds and automatically enter into the pairing Mode. Switch on the Bluetooth on your phone and select "WECOOL S2". The LED Indicator will go out once the pairing is successful.
3. Take a photo: Click the remote button to take a photo.
4. Power off Press and hold the remote button for 3 seconds to power off.

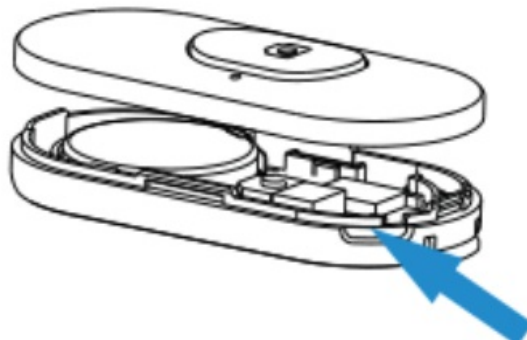

Note: When disconnected from the phone, the selfie stick will automatically shut down without operation after 5 min. In pairing mode, it will automatically shut down without operation after 10 min.

REMOVE AND REPLACE THE REMOTE

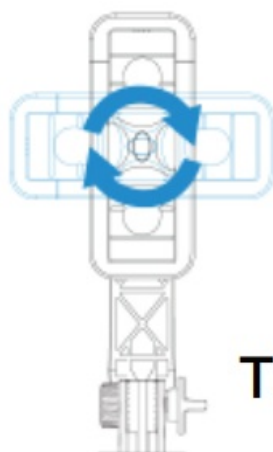

CHANGING BATTERY

Prise apart the remote using a cutout in the bottom left corner

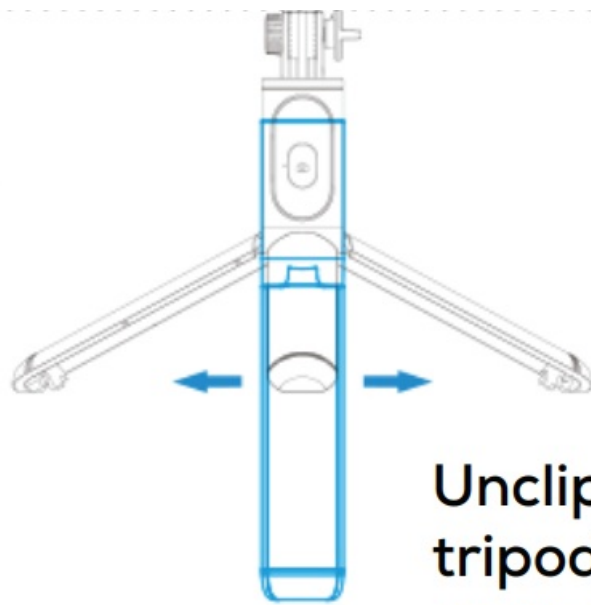

360 ROTATION

The clip rotates 360°

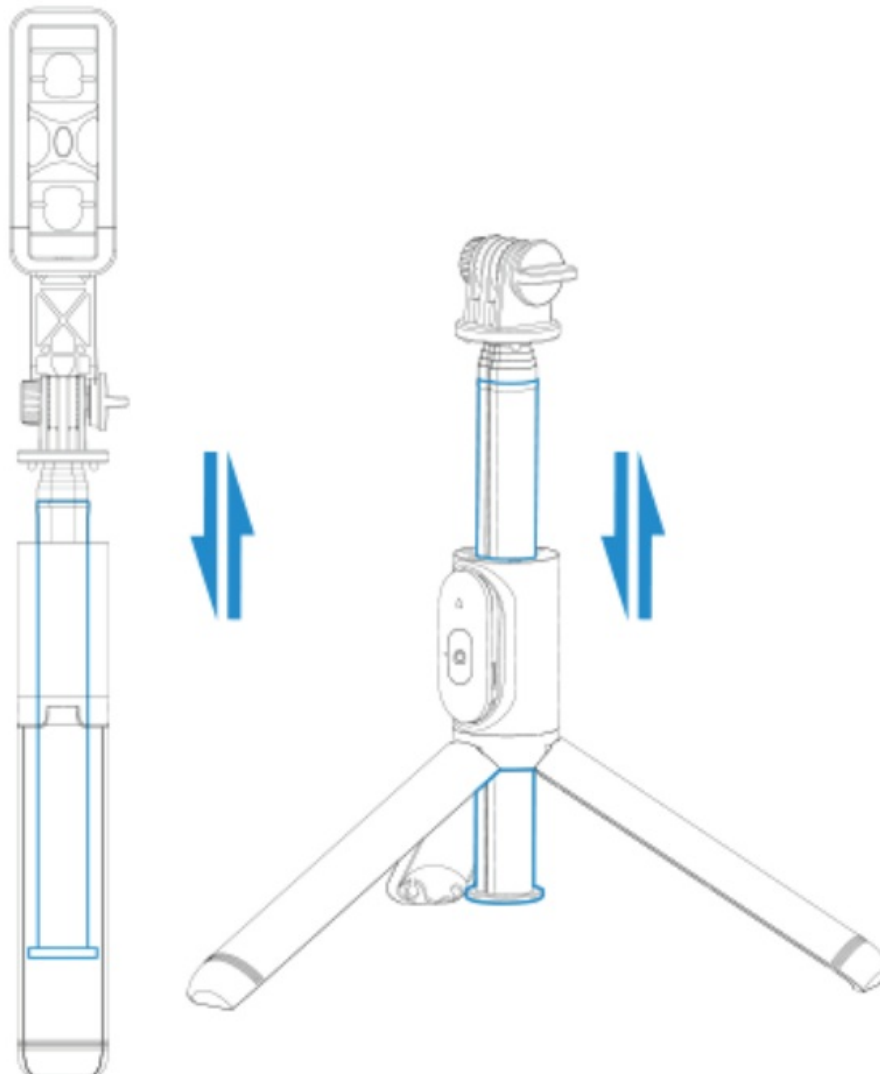

OPEN THE TRIPOD

Unclip the three
tripod legs and
open out

TRIPOD MODE

In tripod mode, use the base of the telescopic pole in the center of the tripod to stabilize.
