WENKO STATIC LOC PLUS Bathroom Shelf

Product Information

Specifications

- Product Name: Static Loc
- Model Number: D

Product Usage Instructions

Assembly Instructions

To assemble the Static Loc, please follow these steps:

1. Ensure you have all the necessary components and tools required for assembly.
2. Identify the different parts of the Static Loc according to the labeled diagrams in the user manual.
3. Start by connecting the base to the main frame using the provided screws and bolts. Make sure they are securely tightened.
4. Attach the supporting arms to the main frame using the provided connectors and fasteners.
5. Once all the components are securely attached, double-check all connections to ensure stability.

Usage Instructions

To use the Static Loc, please follow these steps:

1. Ensure that the power switch is set to “ON”.
2. Place the item you want to secure on the Static Loc's base, making sure it is centered and balanced.
3. Adjust the supporting arms to fit the size and shape of the item. Use the provided knobs or levers to secure them in place.
4. Once the item is securely positioned, you can lock it in place by turning the locking mechanism located on the base.

Frequently Asked Questions (FAQ)

Q: How do I turn on/off the Static Loc?

A: The power switch is located on the device. Set it to “ON” to activate the Static Loc and “OFF” to deactivate it.
