Installation

Product Information

The product is manufactured by WilTec Wildanger Technik GmbH. Please note that reproduction and any commercial use of parts of this operating manual require written permission from WilTec Wildanger Technik GmbH.

Product Usage Instructions

Before assembling and using the product, please read and understand the following instructions carefully:

1. Ensure that you have all the necessary parts and tools required for assembly.
2. Choose a suitable location for the product, ensuring there is enough space for safe operation.
3. Follow the step-by-step assembly instructions provided in this manual.
4. Make sure to tighten all screws and bolts securely during assembly to ensure stability.
5. Refer to the product diagram and labeling to correctly identify each part during assembly.
6. Do not attempt to modify or alter any part of the product as it may affect its functionality and safety.
7. Keep small children and pets away from the product during assembly and usage.

8. Only use the product for its intended purpose as described in the manual.
9. Regularly inspect the product for any signs of wear or damage. Replace any damaged parts before further use.
10. Follow all safety precautions mentioned in this manual to prevent accidents or injuries.

If you have any questions or need further assistance, please contact WilTec Wildanger Technik GmbH customer support.

Important Note: Reproduction and any commercial use (of parts) of this operating manual, requires a written permission of WilTec Wildanger Technik GmbH
