Wise CFX4-A256M2 CFexpress 4.0 Type A Memory Card

## FAQ

### Frequently Asked Questions

- **Q:** Can I use this card with devices that do not support CFexpress Type A?
  - **A:** Connecting the Wise CFexpress card to non-compatible devices may result in unexpected interference or malfunction. It is recommended to use it with compatible devices only.
- **Q:** What should I do if the media is not recognized by my product?
  - **A:** Try turning the power off and on again or restarting the product after removing and reinserting the media.
- **Q:** How can I extend the warranty for my Wise memory card?
  - **A:** Register your product online at [www.wise-advanced.com.tw/we.html](http://www.wise-advanced.com.tw/we.html) to extend the warranty to 3 years at no additional charge.

### How to Use Wise CFexpress 4.0 Type A Memory Card

Before operating this media, please read this manual thoroughly, and retain it for future reference.

### Components

- Wise CFexpress 4.0 Type A Memory Card
- Quick Start Guide

### How to connect

- Select the device compatible with the Wise CFexpress Card Reader.

- Connect one end of the cable to the device and the other end to the reader with the card insert.

## Tech Specs

Model	CFX4-A256M2	CFX4-A512M2	CFX4-A1024M2
Capacity <sup>1</sup>	256GB	512GB	1TB
Maximum Read <sup>2</sup>	1865MB/s		
Maximum Write <sup>2</sup>	1750 MB/s		
Minimum Write <sup>2</sup>	400 MB/s		
Form Factor	CFexpress Type A		
Interface	PCIe Gen 4 x1, NVMe 1.4		
Video Performance Guarantee:	VPG400		
NAND Flash	TLC		
Size	20.0 x 28.0 x 2.8 mm		
Weight	2 g		
Operating temperature	10°F to 162°F (-12°C to 72°C)		
Storage temperature	-13°F to 185°F (-25°C to 85°C)		

- **1** Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB = 1 billion bytes.
- **2** Speeds based on internal testing. Actual performance may vary.

## PRECAUTIONS

### Caution

- Wise shall not be responsible for any damage to or loss of recorded data.
- Recorded data may be damaged or lost in the following situations.
  - If you remove this media or turn off the power while formatting, reading or writing data.
  - If you use this media in locations subject to static electricity or electrical noise.
- When this media is not recognized with your product, turn the power off and on again or restart the product after removing this media.
- Connecting the Wise CFexpress cards to non-compatible devices may result in unexpected interference or malfunction of both products.
- Copyright law prohibits unauthorized use of recording.
- Do not strike, bend, drop or wet this media.
- Do not touch the terminal with your hand or any metal object.
- Do not expose the unit to rain or moisture.
- All Wise memory cards have a 2-year warranty. If you register your product here online, you can extend it to 3

years at no additional charge: [www.wise-advanced.com.tw/we.html](http://www.wise-advanced.com.tw/we.html)

- Any damage caused by customers through neglect or incorrect operation may result in the warranty being void.
- For more information, please visit [www.wise-advanced.com.tw](http://www.wise-advanced.com.tw)
