Key Features

1. **1X/10X Magnification:** This lighted vanity mirror offers versatile magnification options, ranging up to 10x, ideal for precise makeup application, grooming, and inserting or removing contact lenses. Note: Maintain a distance of at least 4 inches for a detailed and less distorted image.
2. **360° Swiveling & Power Saving:** Enjoy the flexibility of a 360-degree rotatable design for enhanced visibility. The rechargeable makeup mirror features a built-in 2000mAh lithium-ion battery and 52 LED lights, ensuring energy-efficient, brighter, and long-lasting illumination for flawless makeup.

3. **Smart Touch Brightness Adjustable Design** : Easily switch between 3 different lighting environments with a short press of the switch. Adjust the brightness from low to high by long-pressing the screen, providing customizable illumination for your makeup needs.

4. **Cordless LED Vanity Mirror** : The cordless design offers hassle-free grooming and makeup application, while the 8-inch cosmetic mirror provides a clear and spacious screen to view your entire face at once. It's the perfect gift for ladies and girls.
5. **Double-Sided & Large Size** : This mirror features both standard and magnified reflections, catering to various grooming tasks. The sleek stainless steel frame complements any bathroom or bedroom décor.
6. **USB Rechargeable** : Powered by a rechargeable battery, this mirror is eco-friendly and convenient, ensuring you always have reliable illumination for your beauty routine.
7. **3 Colors Light** : Choose between white light for morning office makeup, natural light for daylight dating looks, and warm light for evening parties and club makeup. Control the on/off function with a tap and adjust brightness with a long press.

Charging the Battery

1. Plug the micro USB end of the cable into the Micro USB port on the mirror.
2. Plug the micro USB end of the cable into a USB adapter, power bank, or computer.
3. When the mirror begins to charge, the power light will turn on.

A red light indicates that the battery is currently charging and a blue light indicates that the charging is complete.

How to Use

1. Place the mirror on a flat, stable surface.
2. Turn on the power switch located on the base of the mirror.
3. Adjust the mirror angle as desired by rotating the mirror body.
4. Use the standard side for overall reflection and the magnified side for detailed grooming or makeup application.

Safety Precautions

- Keep the mirror away from water to prevent damage to the electrical components.
- Avoid exposing the mirror to extreme temperatures or direct sunlight.
- Use the mirror on a stable surface to prevent accidental tipping or falling.

How to Maintenance the mirror

1. Please ensure the power is turned off when you clean the mirror.
2. Please do not immerse the product in water when you clean the mirror.
3. Please use a cleaning cloth to clean the mirror.
4. Please do not use alcohol to wipe the mirror.

Warning:

1. Please avoid putting the product under the sunlight.
2. Please clean the mirror regularly to extend the service life.
3. Please use the original USB cable when recharging the battery.

Attachments: 1 X USB Charging Cable

Notice: Adaptor is not included.

Troubleshooting

1. If the LED lights are not working, check if the mirror is properly charged or if the power switch is turned on.
2. If the mirror fails to hold its position or rotates stiffly, ensure that the mounting mechanism is securely attached

and free from obstructions.

3. If there are any visible scratches or smudges on the mirror surface, clean it gently using a soft cloth and mild cleaner.
4. If the magnification feature is not functioning correctly, check for any debris or obstruction around the magnifying side of the mirror.
5. If you encounter any other issues or malfunctions, refer to the user manual for troubleshooting steps or contact WIZCHARK customer support for assistance.
