## Xclusive Tongue Scraper Set

## How to

1. Place the curved tongue cleaner in the middle of your tongue and move it with light pressure to the tip of your tongue.
2. Rinse the tongue cleaner and repeat a few times until all deposits have disappeared.
3. Repeat with the straight tongue cleaner for both sides.
4. Repeat with the straight open tongue cleaner for the back of the tongue.
5. Clean and dry the tongue cleaners thoroughly after use and then store them in the case provided.
6. To maintain good hygiene, it is advisable to additionally clean the tongue cleaners in boiling water or with a little alcohol after a few uses.
