OPERATING GUIDE

HOW TO SET THE TIME?
Long press the mode button on the control panel to enter the time settings. To adjust the time toggle between the increase / decrease clock time button. Click the alarm button to toggle between the minutes & hours. Press the play button to confirm the settings.

HOW TO SET THE ALARM?
Double click the alarm button to set the alarm. The numbers will start blinking. Short press the +/- buttons to adjust the time. Click the alarm button to toggle between the minute & hours. Please press the play button to lock & confirm it.

HOW TO STOP THE ALARM?
Press the play button to turn off the alarm for the day. The alarm will again ring after 24 hours.

HOW TO DEACTIVATE THE ALARM COMPLETELY?
Long press the play button to turn off the alarm completely.

HOW TO USE THE SNOOZE BUTTON?
When the alarm is ringing, please press the volume – button to enter snooze. This will give you an additional S minute worth of sleep. Please note that the snooze function is designed to work 3 times in a row.

HOW TO PAIR THE SPEAKER?
The speaker instantly enters wireless mode as soon as you turn it on. To turn the speaker on, please long press the play button. Open the Bluetooth settings in your smartphone and search for "XECH Ellipse· & click pair.

HOW TO CONNECT TWS?
When 2 Ellipse are turned on simultaneously, they automatically pair with each other .. Long press & hold the play button. You will hear a voice prompt, indicating that the connection is successful. You will now need to pair the speaker. Open the Bluetooth settings in your smartphone and search for "XECH Ellipse" & click pair.

HOW TO TURN THE CLOCK FACE OFF?

Double-click the minus key to turn off the clock face. This helps to save power when you don't want to use Ellipse as a clock.

HOW TO USE THE CALLING FUNCTION?

Pair Ellipse with your smartphone. To answer a call, press the call button. To end the call, long press the call button. Double press the call button to redial.

HOW TO USE THE PHONE STAND?

The speaker comes with a retractable dock to hold your phone. Gently pull of the retractable phone dock and place your phone in landscape orientation to enjoy an immersive content-viewing experience.

HOW TO USE THE PEN STAND?

The speaker has a seamless flap located on the top. Gently pull the flap open where you will see 2 slots to keep your pens/ penci ls.
