An office product to meet every need

There's a job waiting to be done. A routine print job. A single page to be copied. A critical hundred-page report to

be printed in full color, then translated, converted, redacted, scanned, or emailed to users around the world. Whatever your task, Xerox has the right office printer or multifunction printer to help you do the best job, with more speed, reliability, and value than you ever thought possible.

Our comprehensive print management solution helps connect your team's technology seamlessly—while providing security, access control, and usage tracking that organizations need.

AUTHENTICATION AND ACCESS CONTROL
Add secure access to your printers so that authorized users can conveniently log in using our flexible authentication methods to access services and release print jobs. With Single Sign-On (SSO), your users only need to log in at the printer once with a card badge or mobile device to securely access our SSO-enabled apps, eliminating time-consuming login steps.

MOBILE PRINTING MADE EASY. ANYWHERE, ANY DEVICE.

Make printing from any device and any remote location flexible and easy. Whether you submit your jobs from a PC, mobile device, or Chromebook you can access your jobs from any location.

REPORTING, ANALYTICS, AND PRINT RULES
Our reporting and analytics tools give a better line of sight and help uncover cost-saving opportunities.
Workplace Cloud Print Tracker provides visibility of jobs printed at home or in the office to provide a complete view of usage.
Set pre-defined print and scan costs and track usage to generate cost reports to charge back for usage. Once you have identified print inefficiencies, apply our print rules by users to help reduce costs.
Add content security to monitor content usage to ensure that sensitive data is handled responsibly.
ONE SOLUTION ,

TWO HOS T ING OP T IONS
