Xerox® VersaLink® C8000/C9000 Installation Guide

Introduction
This guide provides step-by-step instructions for setting up your Xerox® VersaLink® C8000/C9000 printer. Follow each section carefully to ensure proper installation and operation.

Unpack the Printer

- Carefully remove the printer from its packaging.
- Weight: 80.8 kg (178 lb).

Select a Location
Ensure the following clearances around the printer:

- 10 cm (3.9 in.) on all sides.
- 80.9 cm (31.9 in.) height clearance.
- 72 cm (28.3 in.) depth clearance.
- 117.8 cm (46.4 in.) width clearance.

Remove the Packing Material

- Remove all tape and packing materials from the printer.
- Open the printer doors and remove any internal packaging.

Load the Paper Tray

- Open the paper tray.
- Adjust the guides to fit the paper size.
- Load the paper into the tray.

Install the Options

- Install any additional options as required.

Install the Output Tray and Stabilizer Foot

- Attach the output tray to the printer.
- Install the stabilizer foot if necessary.

Install the Toner Cartridges

- Open the toner access door.
- Shake each toner cartridge gently before installation.
- Install each cartridge in the correct slot (K, C, M, Y).

Select a Printer Connection

- Choose your connection type: USB, Ethernet, or Wi-Fi.
- Connect the appropriate cables.

Connect the Power

- Plug the power cable into the printer and an electrical outlet.
- Turn on the printer.

Follow the Prompts for Panel Language and Device Configuration

- Use the printer's control panel to select language and configure settings.

Specifications

Weight	80.8 kg (178 lb)
Clearance	10 cm (3.9 in.) on all sides

FAQ

- **What should I do if the printer does not power on?**
  Ensure the power cable is securely connected to both the printer and the outlet. Check the outlet for power.
- **How do I connect the printer to Wi-Fi?**
  Use the printer's control panel to navigate to network settings and select Wi-Fi setup. Follow the on-screen
instructions.

- **Where can I find additional support?**

  Visit **www.xerox.com/office/VLC8000support** for more information.
