Xiaomi R4CM Mi WiFi Router 4C

Specifications

- Model: Mi Router 4C
- Power: DSL/Cable/Satellite modem
- Network: LAN/WAN
- Wi-Fi: WLAN Xiaomi_XXXX

Product Usage Instructions

Step 1: Connect the Cables

1. Connect the power cable to the router.
2. Connect the Internet (WAN) port of the router to the DSL/Cable/Satellite modem.
3. If your Internet network is connected via a network cable, connect it directly to the router's WAN port.

Step 2: Set Up the Network Connection

1. Turn on WLAN Xiaomi_XXXX and connect to the Wi-Fi using a phone or computer (no password needed).
2. Wait for the system indicator light to turn blue, then search for the Wi-Fi network and connect.
3. Open a browser and go to router.miwifi.com or 192.168.31.1 for configuration.
4. Enter the broadband account name and password provided by your ISP, then click Next.
5. Set a new Wi-Fi and administrator password, wait for the indicator light to turn blue, and reconnect to the Wi-Fi.

Manage Mi WiFi

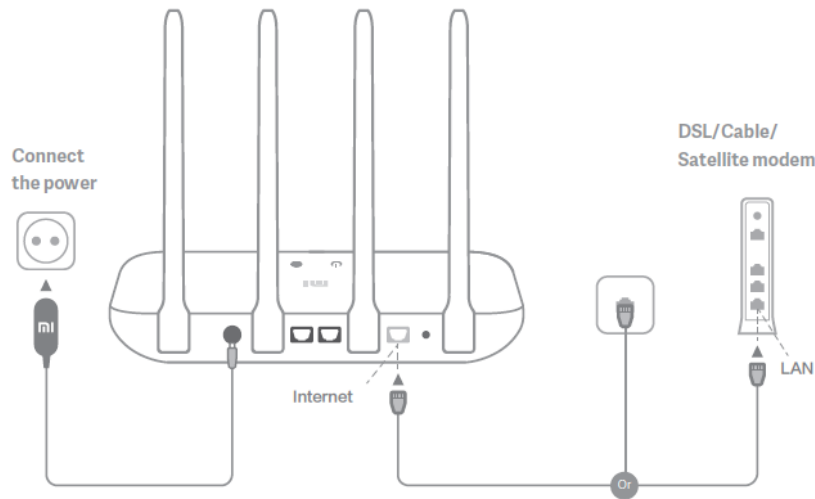

You can manage your router settings via router.miwifi.com or download the Mi WiFi app for remote management.

User Manual of Mi Router 4C.

All images are for illustration purposes only and may differ from the actual product by model and region.

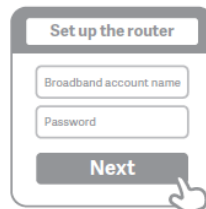

Step 1:

Connect the cables

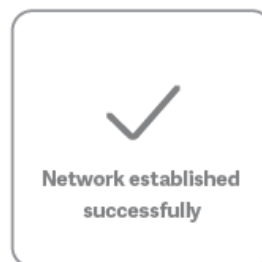

Power on the router, then connect the Internet (WAN) port to the DSL/Cable/satellite modem

1. Connect to the Wi-Fi using a phone or computer(no password). Refer to the information at the bottom of the router for the Wi-Fi name
Wait until the system indicator light  turns blue. Search for the Wi-Fi network and connect
2. Once the Wi-Fi is connected, you will be directed to the configuration page. If the configuration page is not present, open the browser and go to "router.miwifi.com" or "192.168.31.1" to complete the configuration
Mi Router EULA is available at <http://www1.miwifi.com/router/eula/20191230.html>
3. Enter the account name and password provided by your broadband provider, then click/tap Next (It depends on the Internet Service Provider you selected, whether your account name and password are required or not)
If you have forgotten your broadband account name or password, please contact your broadband provider

4. Set a new Wi-Fi and administrator password. You can choose to use your Wi-Fi password as your administrator password as well

Please wait until the indicator light turns blue and stops flashing, then reconnect to the Wi-Fi

Manage Mi WiFi

The web management website is router.miwifi.com and supports basic Internet

functions. Scan the QR code, download the Mi WiFi app, and manage your router anytime, anywhere.

Specifications
