Introduction

Thank you for choosing to purchase this quality product. To minimise the risk of injury, we ask you to always take some basic safety precautions when using this product. Please read this operating manual carefully and make sure that you understand it. Keep these operation instructions in a safe place.

Safety instructions

- Regularly tighten all nuts properly.
- The cart is not suitable for transporting human beings or animals.

- Using the appropriate means, make sure that the load cannot shift during transport.
- Ensure even distribution of the load.
- Avoid using the trailer in strong winds and storms. **Tipping hazard!**
- Do not use the trailer on too steep slopes. **Tipping hazard!**
- Regularly check the tyre pressure.
- Do under no circumstances exceed the max. admissible charge.
- Only have the trailer serviced in a specialist workshop and repaired only with original spare parts.
