WHB640P VoIP Desk Phone with WiFi and Bluetooth

“

Product Specifications:

- Model: WHB640P
- Power Port: Busylight BLT60 Mini USB Port, Micro USB Port,

Type-C USB Port

- Charging: via USB Ports
 - Compliance: RoHS Directive
-

Product Usage Instructions:

Safety Instructions:

Save these instructions. Read these safety instructions before use!

- **General Requirements:**

- Place the device at a well-ventilated place.
- Avoid direct sunlight exposure.
- Keep the device dry and free of dust.
- Avoid placing the device near inflammable materials.
- Keep away from heat sources like candles or electric heaters.

- **Operating Requirements:**

- Do not let a child operate the device without guidance.

- **Battery Precautions:**

- Use only recommended rechargeable battery packs.
- Do not dispose of batteries as municipal waste.
- Return old batteries to designated collection facilities.

- **Cleaning Requirements:**

- Use a soft, dry, and anti-static cloth to clean the device.

Troubleshooting:

If you encounter issues with the product, follow these steps:

1. **The usage environment is out of operating temperature**

range.

- Use the product within the specified temperature range.

2. The cable between the unit and the Yealink device is connected incorrectly.

- Ensure the cable is connected correctly.

3. Port may have dust or debris.

- Clean the port properly.

4. Contact dealer or authorized service facility for further assistance.

FAQs (Frequently Asked Questions):

Q: What is the warranty coverage for the product?

A: The product warranty covers the unit itself when used according to operating instructions and system environment. It does not cover damage or loss resulting from product use or third-party claims.

Q: How should I dispose of the product?

A: To avoid environmental impact, do not dispose of the product as unsorted municipal waste. Contact designated collection facilities for proper disposal.

Q: What should I do if my device is not charging?

A: Check the charging cable connection, clean charging ports, and ensure you are using compatible rechargeable battery packs.

Regulatory Notices

Operating Ambient Temperatures Operating temperature: +14 to 113°F (-10 to 45°C)
Relative humidity: 5% to 90%, noncondensing Storage temperature: -22 to +158°F (-30 to +70°C)

Warranty

Our product warranty is limited only to the unit itself, when used normally in accordance with the operating instructions and the system environment. We are not liable for damage or loss resulting from the use of this product, or for any claim from a third party. We are not liable for problems with Yealink device arising from the use of this product; we are not liable for financial damages, lost profits, claims from third parties, etc., arising from the use of this product.

Explanation of the symbols DC symbol

is the DC voltage symbol.

WEEE Warning symbol

To avoid the potential effects on the environment and human health as a result of the presence of hazardous substances in electrical and electronic equipment, end users of electrical and electronic equipment should understand the meaning of the crossed-out wheeled bin symbol. Do not dispose of WEEE as unsorted municipal waste and have to collect such WEEE separately.

Restriction of Hazardous Substances Directive (RoHS)

This device complies with the requirements of the EU RoHS Directive. Statements of compliance can be obtained by contacting support@yealink.com.

Safety Instructions Save these instructions. Read these safety instructions before use!

General Requirements

Before you install and use the device, read the safety instructions carefully and observe the situation during operation. During the process of storage, transportation, and operation, please always keep the device dry and clean, avoid collision and crash. Please attempt not to dismantle the device by yourself. In case of any discrepancy, please contact the appointed maintenance center for repair. Please refer to the relevant laws and statutes while using the device. Legal rights of others should be respected as well.

Environmental Requirements

Place the device at a well-ventilated place. Do not expose the device under direct sunlight. Keep the device dry and free of dusts. Do not place the device on or near any inflammable or fire-vulnerable object, such as rubber-made materials. Keep the device

away from any heat source or bare fire, such as a candle or an electric heater.

Operating Requirements

Do not let a child operate the device without guidance.

Do not let a child play with the device or any accessory in case of accidental swallowing.

Please use the accessories provided or authorized by the manufacturer only. Do not spill liquid of any kind on the product or use the equipment near water, for example, near a bathtub, washbowl, kitchen sink, wet basement or near a swimming pool. When there is smoke emitted from the device, or some abnormal noise or smell, disconnect the device immediately. Contact the specified maintenance center for repair. Do not insert any object into equipment slots that is not part of the product or auxiliary product.

Battery Precautions

Do not immerse the battery into water, which could short-circuit and damage the battery.

Do not expose the battery to an open flame or leave the battery where it could be subjected to extremely high temperatures, which could cause the battery to explode. Do power the handset off before removing the battery. Do not try to use the battery for the power supply of any device other than this handset. Do not open or mutilate the battery, released electrolyte is corrosive and may cause damage to the your eyes or skin.

Use only the rechargeable battery pack delivered with the handset or those rechargeable battery packs expressly recommended by Yealink. Defective or exhausted battery should never be disposed of as municipal waste. Return old battery to the battery supplier, a licensed battery dealer or a designated collection facility.

Cleaning Requirements

Use a piece of soft, dry and anti-static cloth to clean the device.

Troubleshooting

The usage environment is out of operating temperature range. 1. Use in the operating temperature range. The cable between the unit and the Yealink device is connected incorrectly. 1. Connect the cable correctly. Some dust, etc., may be in the port. 1. Clean the port. Contact your dealer or authorized service facility for any further questions.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party

responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: –Reorient or relocate the receiving antenna. –Increase the separation between the equipment and receiver. –Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. –Consult the dealer or an experienced radio/TV technician for help. The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator& your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. Privacy of communications may not be ensured when using this phone.

IC Statement

This device complies with Innovation, Science and Economic Development Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement. This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada. Les communications effectuées au moyen de cet appareil ne sont pas nécessairement protégées des indiscretions. The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance. The minimum distance from body to use the device is 20cm. Le présent

appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquérir les informations correspondantes. La distance minimale du corps à utiliser le dispositif est de 20cm. EU Regulatory Information Support Frequency Bands and Power: DECT 1.8GHz-1.9GHz< 24 dBm YEALINK(XIAMEN) NETWORK TECHNOLOGY CO.,LTD.
