yezz MAX 2 Plus Owner's

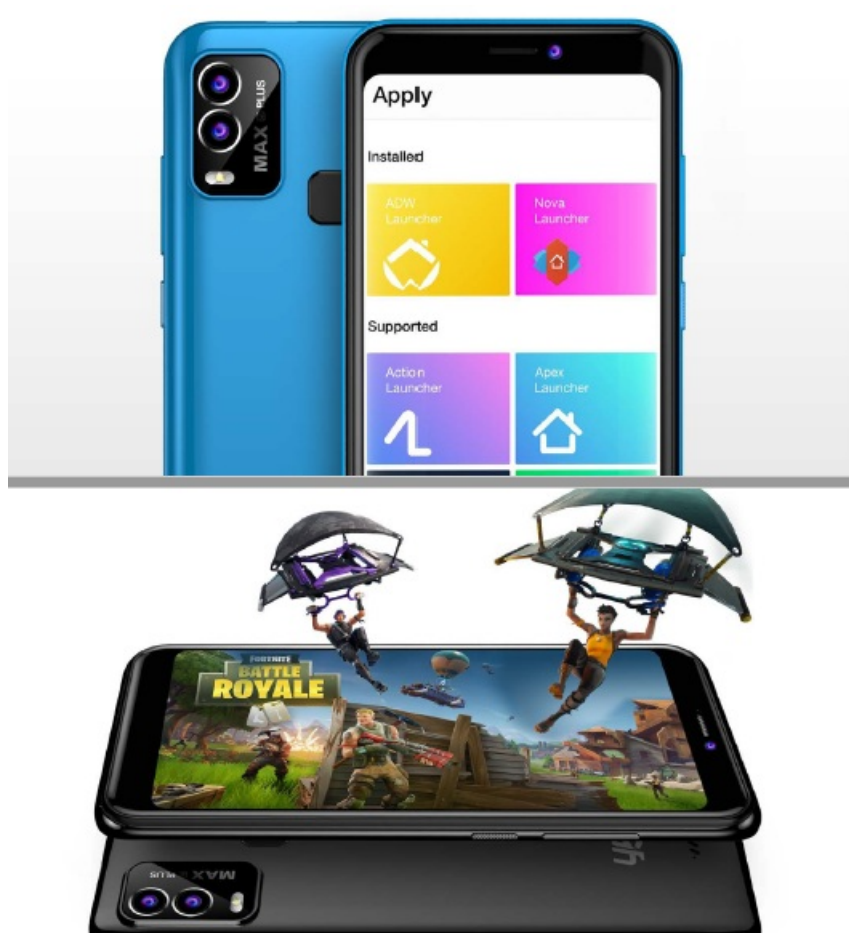

Instruction

The MAX Series smartphones excel in performance, speed and storage capacities, being also a series of great price-value relation, due to its benefits.

Designed with efficient processors to guarantee productivity thanks to the optimization of resources, the MAX series' phones provide an outstanding multitasking communication experience and adapts to current demands.

Life doesn't stop because you run out of storage space. The MAX 2 PLUS comes with 32GB of internal memory, plus the option to store up to 128GB more when you add a MicroSD card.

The Quad Core processor offers more competitive power consumption and performance. Standby power consumption can be reduced by 50% in multiple background operations and increased by 40% when in use. Comes with Android 11.

18: 9 FULL-SCREEN SCREEN

The 1440×720 HD+ resolution of the MAX 2 PLUS ensures bright and eye-catching colors; crisp clarity and definition designed to bring out the best in your photos and videos.

BATTERY TO DO MUCH MORE
