About this item

- **ULTIMATE PROTECTION:** The universal mosquito net protects your child from annoying insects such as flies, wasps, bees, mosquitoes, ticks or other itchy bugs.
- **Easy to adjust:** Thanks to the elastic edge, the mosquito net is easy and quick to adjust. The flexible, tear-resistant, fine net prevents even the smallest insects from getting through.
- **UNIVERSAL FIT:** The large insect screen fits a variety of cots, travel cots, camping beds, and boxes with a size of 90x40cm to 120x160cm. Thanks to the elastic edges, the net can be easily attached to the cot.
- **HIGH QUALITY:** The baby mosquito net is fine, tear-resistant, and machine washable at 30°C.
- **EASY TO PACK AND STORE:** The packaging of the net consists of a small, environmentally friendly box. The insect protection net does not need to be folded and can be easily and quickly stored.

Product Description

- With the Universal Insect Net from Zamboo, you can protect your little one from mosquitoes, bees, flies, and more. The fine mesh net is easily stretched around your portable baby bed and prevents painful stings. It fits perfectly on travel cots measuring 60 x 120 cm, but can also be stretched over beds measuring 90 x 40 cm or 90 x 50 cm. Additionally, the universal net is also suitable for playpens and cribs up to 90 x 90 cm in size. Thanks to the fine mesh, plenty of air flows into the bed, allowing your baby to sleep peacefully. This is especially an advantage during stressful vacations. Meanwhile, you can relax without worry.
- **Material:** 100% polyester
- **Care:** Machine washable at 30°C

Safety & Care

- **Insect Protection:** Fine mesh blocks mosquitoes, bees, flies, and other tiny insects
- **Airflow & Visibility:** Mesh is breathable and transparent, maintaining comfort and visibility
- **Secure Fit:** Elastic border ensures a snug seal around cot edges to prevent gaps
- **Durability:** Tear-resistant polyester mesh withstands travel and repeated use
- **Cleaning:** Machine wash cold and line dry to maintain elasticity and mesh integrity; avoid tumble drying

FAQs

Will this net keep out tiny insects like gnats?

Yes—its fine mesh is rated to block even very small insects, including gnats and midges

Can I use it on irregularly shaped nets or cot sizes?

Yes—the elasticised edge allows it to stretch across a range of sizes (90×40cm up to 120×60cm), adapting to various shapes of travel and camping cots

How durable is it for travel and repeated washing?

The polyester mesh is tear-resistant and designed for frequent travel use. It holds up well through machine wash cycles (at 30°C) but avoid tumble drying to maintain mesh strength .
