# ZEBRA DS5502 Fixed Mount Scanner User Guide

**ZEBRA DS5502 Fixed Mount Scanner User Guide**

## Contents

## Regulatory Information

This device is approved under Zebra Technologies Corporation. This guide applies to the following model number:
DS5502
All Zebra devices are designed to be compliant with the rules and regulations in the locations they are sold and will
be labeled as required.

### Local language translation

Any changes or modifications to Zebra equipment not expressly approved by Zebra could void the user's authority
to operate the equipment.
**Declared maximum operating temperature**: 50°C

## Regulatory Markings

Regulatory markings subject to certification are applied to the device. Refer to the Declaration of Conformity (DoC)
for details of other country markings. The Doc is available at **zebra.com/doc.**

## Health and Safety Recommendations

### Ergonomic Recommendations

In order to avoid or minimize the potential risk of ergonomic injury, always follow good ergonomic workplace
practices. Consult with your local Health and Safety Manager to ensure that you are adhering to your company's
safety programs to prevent employee injury.

## Optical Devices

### LED

Risk Group classified according to IEC 62471:2006 and EN 62471:2008.

- SE4720 Scanner Engine

**Warranty**

For the complete Zebra hardware product warranty statement, go to **zebra.com/warranty.**

## Service Information

Before you use the unit, it must be configured to operate in your facility's network and run your applications. If you have a problem running your unit or using your equipment, contact your facility's Technical or System Support. If there is a problem with the equipment, they will contact Zebra support at **zebra.com/support.**
For the latest version of the guide go to **zebra.com**/support.

## Software Support

Zebra wants to ensure that customers have the latest entitled software at the time of device purchase in order to keep the device operating at peak performance levels. To confirm that your Zebra device has the latest entitled software available at the time of purchase, go to **zebra.com/support.**
Check for the latest software from Support > Products, or search for the device and select Support > Software Downloads.
If your device does not have the latest entitled software as of your device purchase date, e-mail Zebra at **entitlementservices@zebra.com** and ensure you include the following essential device information:

- Model number
- Serial number
- Proof of purchase
- Title of the software download you are requesting.

If it is determined by Zebra that your device is entitled to the latest version of software, as of the date you purchased your device, you will receive an e-mail containing a link directing you to a Zebra Web site to download the appropriate software.
