Setup

IMPORTANT

Go to <http://www.zebra.com/zd420d-info> and install the driver for your printer.

<http://www.zebra.com/zd420d-info>

The driver **MUST** be installed before connecting the printer to the computer, or it will cause complications. If your Microsoft Windows-based computer does not have the driver installed for this printer, download it from <http://www.zebra.com/zd420d-info> and install it before continuing.

After unpacking, make sure you have all parts shown below.
