User instructions

- Refer to the instructions for assembly
- In order to guarantee the stability and life of the article, periodically check that the screws are correctly tightened
- The product is not suitable for outdoor use
- Do not climb on the table
- When moving the table, make sure that it is lifted properly
- When extending the top, be careful not to trap fingers
- Contact with hot items can damage the surface
- Do not place very hot or very cold items against or in close proximity to glass surfaces unless an adequately thick insulating material is used to prevent such items from coming into contact with the glass
- Do not sit or stand on horizontal glass surfaces
- Do not use the glass as a cutting surface
- Do not strike the glass with hard or pointed items
- Replace the glass component if splintered or broken. Consult the manufacturer, sales assistant, or agent about the specific technique for the replacement
- For major maintenance or repairs, consult the retailer
- Once the product or its components are no longer used, make sure that they are disposed of correctly through the public waste disposal services

Maintenance recommendations

- Any spills should be wiped up immediately with a clean, dry cloth
- To clean metal parts, use products that are specifically for metal
- When cleaning glass panels or mirrors use a damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch glass.
- To clean the ceramic top, preferably use products that are specifically for ceramic
- Do not use abrasive products
- Calligaris S.p.a. disclaims any responsibility deriving from the incorrect use of the above-mentioned object.
