Activate Pairing Mode:

2. Press and hold the timer button for 5 seconds. The fan will start to beep rapidly (twice every second).

Connect to the App (Cont.)

Pairing Your Product:

1. Open the Mercator Ikuū app.
2. Tap + > Add Device > Climate, then select your ceiling fan.
3. When the ceiling fan is beeping, tap 'indicator is rapidly beeping'. The pairing process will start which will add your ceiling fan to the app.
