Zilla 100105080 Slimline Deser Fixture

## IMPORTANT SAFETY INSTRUCTIONS

- THIS PRODUCT HAS A POLARIZED PLUG (ONE BLADE IS WIDER THAN THE OTHER) AS A FEATURE TO REDUCE THE RISK OF ELECTRIC SHOCK. THIS PLUG WILL FIT IN A POLARIZED OUTLET ONLY ONE WAY. IF THE PLUG DOES NOT FIT FULLY IN THE OUTLET, REVERSE THE PLUG. IF IT STILL DOES NOT FIT, CONTACT A QUALIFIED ELECTRICIAN. NEVER
- USE WITH AN EXTENSION CORD UNLESS THE PLUG CAN BE FULLY INSERTED. DO NOT ALTER THE PLUG.
  - **CAUTION:** TO PREVENT ELECTRIC SHOCK, MATCH THE WIDE BLADE OF THE PLUG TO THE WIDE SLOT, AND FULLY INSERT.
  - **ATTENTION:** POUR EVITER UN CHOC ELECTRIQUE, PRESENTER LA LAME LARGE A LA FENTE LARGE ET POUSSER JUSQU'AU FOND.
- SAVE THESE INSTRUCTIONS

**CAUTION:** To reduce the risk of fire, electric shock, or injury to persons:

1. Turn off, unplug, and allow to cool before replacing the lamp.
2. Use only Fluorescent 15-watt TB lamps (F15TB).
3. Not intended for surface installation inside built-in furnishings such as kitchen cabinets, china cabinets, or trophy cases.
4. Household use only.

5. It is not intended for wet or damp locations.
6. The National Electrical Code (NEC) does not permit cords to be concealed where damage to insulation may go unnoticed. To prevent fire danger, do not run cords behind walls, ceilings, soffits, or cabinets where it may be inaccessible for examination. Cords should be visually examined periodically and immediately replaced when damage is noted.

### Portable Luminaire

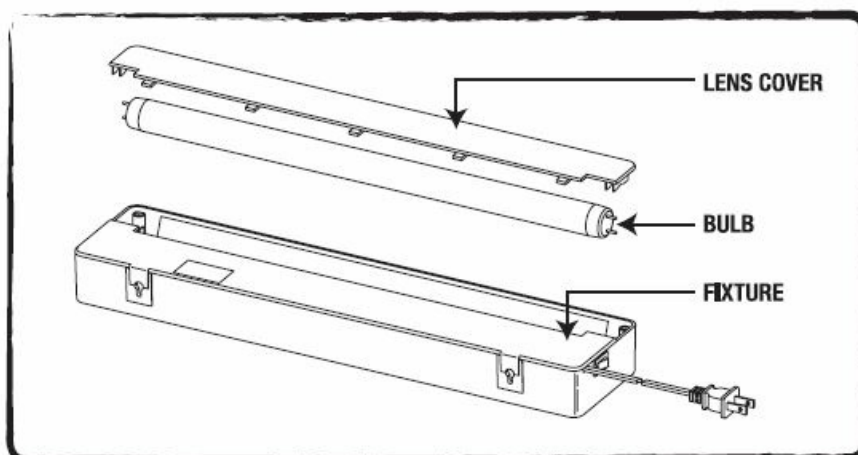

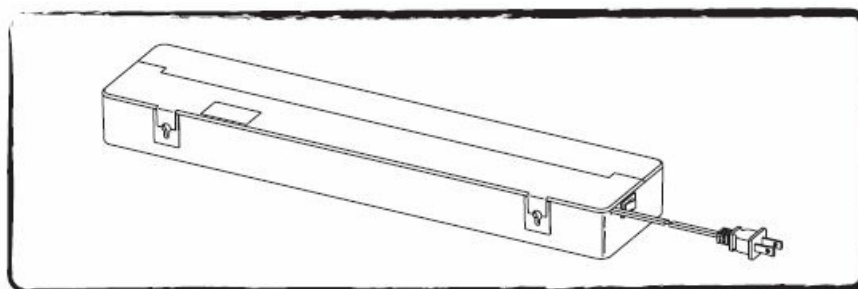

- **Model:** 00726 & 00728
- **Electrical Rating:** 120 V, 0.171 A, 60 Hz

### INSTALLATION

**Model Number:** 00726&00728

1. Make sure all components are supplied and the "Important Safety Instructions" have been reviewed before plugging in and powering the luminaire. The Slimline fixture comes fully assembled. No additional assembly is required.

**12 MONTH LIMITED WARRANTY**

## **WHAT THE WARRANTY COVERS:**

Zilla (Company) warrants this product (see Exclusions below) to the original purchaser against defective material and workmanship that occurs during normal use for 12 months from the date of original purchase. The company will, at the Company's option, either repair or replace the same without charge (no cash refunds will be made).

## **EXCLUSIONS:**

1. Damage resulting from accident, misuse, abuse, or lack of reasonable care subjecting the product to any but the specified electrical service, other than normal and ordinary use of the product, subjecting the product to abnormal working conditions or any other failure not resulting from defects in materials or workmanship.
2. Damage resulting from modification, tampering with, or attempted repair by anyone other than the Company.
3. Transfer of product to someone other than the original consumer purchaser.

## **LIMITATION OF IMPLIED WARRANTIES AND EXCLUSION OF CERTAIN DAMAGES:**

THE COMPANY DISCLAIMS LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, WITH RESPECT TO THIS PRODUCT. THIS WRITING CONSTITUTES THE ENTIRE AGREEMENT OF THE PARTIES WITH RESPECT TO THE SUBJECT MATTER HEREOF; NO WAIVER OR AMENDMENT SHALL BE VALID UNLESS IN WRITING SIGNED BY THE COMPANY. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you.

## **FOR WARRANTY /REPAIRS/RETURNS:**

- The product must be accompanied by a letter of explanation and an original purchase receipt. You must pay any postage, shipping charges, insurance costs, and other expenses to return the product to Zilla. However, if the necessary repairs are covered by the warranty, the Company will pay the return shipping charges to any destination within the United States or Canada.

Contact the Company by

- **telephone:** 888-255-4527 or
- **e-mail:** [warranty@zilla-rules.com](mailto:warranty@zilla-rules.com) or
- contact the Company by writing to: Zilla 5401 West Oakwood Park Drive Franklin, WI 53132

## **REPTILE REWARDS PROGRAM**

Reptiles shouldn't have all the fun.

## REWARD YOURSELF!

When you buy Zilla® brand products, you're buying the best for your demanding little critter. Such a show of commitment deserves a reward. Use your z-points found on your Zilla® packaging, to go shopping for all sorts of new items. You deserve it.

### WHAT ARE Z-POINTS AND HOW DO I Get THEM?

Every time you purchase a Zilla® product, whether it's a reptile kit, some bedding, food, lighting or decor, you'll get some Z-Points. It's our way of saying thanks for purchasing the coolest reptile products on the planet. And they add up quickly.

### WHAT CAN I DO WITH MY Z-POINTS?

- Besides envy among your friends, you can get some sweet Zilla® merchandise – like awesome baseball caps, limited edition posters, sports bottles, mugs, jackets, and T-shirts. The kind that makes people say, “Dude, where'd you get that gear?”

### WHO COMES TO PICK UP THE ITEMS, ME OR MY REPTILE?

- You do. This is your reward for taking such good care of your pet. This isn't to say you can't let your reptile borrow your bandana or wear your hat for a while.

### HOW DO I REDEEM MY Z-POINTS?

- It's easy. Just go to: [zilla-rules.com/rewards](http://zilla-rules.com/rewards) page to view and choose the gear you want. Once you've collected the Z-Points you need, simply fill out the form and mail the correct amount of Z-Point coupons along with the reward request form to the address listed.

## Frequently Asked Questions

Can I use the Zilla 100105080 Slimline Desert Fixture with any type of bulb?

No, the fixture is designed to be used only with Fluorescent 15-watt TB lamps (F15TB). Using other types of bulbs may result in damage to the fixture or improper lighting for your terrarium.

Is this fixture suitable for wet or damp locations?

No, the Zilla 100105080 Slimline Desert Fixture is not intended for wet or damp locations. It should be used in dry, indoor environments only.

Can I use an extension cord with the Zilla 100105080 Slimline Desert Fixture?

Using an extension cord is not recommended unless the plug can be fully inserted into the outlet. It's crucial to follow the safety instructions provided to prevent electric shock or fire hazards.

What should I do if the plug of the Zilla 100105080 Slimline Desert Fixture doesn't fit my outlet?

If the plug doesn't fit fully into your outlet, reverse the plug and try again. If it still doesn't fit, contact a qualified electrician to ensure proper installation.

How can I redeem Z-Points for the Zilla Reptile Rewards Program mentioned in the manual?

To redeem Z-Points for merchandise, visit the Zilla Rewards website at [zilla-rules.com/rewards](http://zilla-rules.com/rewards). Select the items you want, fill out the reward request form, and mail the required Z-Point coupons to the provided address.

What is the purpose of the safety cover on the Zilla 100105080 Slimline Desert Fixture?

The safety cover is designed to reduce the risk of electric shock by ensuring that the wide blade of the plug matches the wide slot of the outlet. It should always be used as directed in the safety instructions.

Is it safe to leave the Zilla 100105080 Slimline Desert Fixture on for extended periods, or should I turn it off periodically?

While the fixture is safe for extended use, it's a good practice to turn it off periodically to provide reptiles with natural day and night cycles. Consult with a reptile expert for recommended lighting schedules based on your specific pet's needs.

Can I use this fixture with any type of reptile terrarium, or are there specific requirements?

The Zilla 100105080 Slimline Desert Fixture is suitable for use over screen-covered terrariums. It's important to ensure that the terrarium you use complies with the fixture's specifications to maintain the safety and effectiveness of the lighting.

How often should I replace the Fluorescent 15-watt TB lamp (F15TB) in this fixture?

It's recommended to replace the lamp periodically, especially if it has been in use for an extended period. While the exact replacement frequency may vary based on usage, a general guideline is to replace the lamp every 6-12 months to ensure optimal performance.

Can I use this fixture in conjunction with other heating or lighting sources for my reptile terrarium?

Yes, you can use the Zilla 100105080 Slimline Desert Fixture alongside other heating or lighting sources if necessary. However, it's essential to ensure that the combined setup meets the specific environmental requirements of your reptile species. Consult with a reptile expert for guidance on creating the ideal terrarium environment.

What should I do if I suspect any damage to the fixture, cord, or plug?

If you suspect any damage to the fixture, cord, or plug, it's crucial to discontinue use immediately. Continuing to use damaged equipment can pose safety risks. Contact the manufacturer or a qualified technician for an inspection and potential repairs.

Can I mount the Slimline Desert Fixture directly onto the terrarium, or does it require hanging or suspending?

The fixture should not be mounted directly onto the terrarium. It is designed for placement above screen-covered terrariums. You can suspend it using appropriate mounting hardware or place it on a secure support structure to ensure proper ventilation and safety.
