Zilla 100108616 Reptile Strip Light Fixture

IMPORTANT SAFETY INSTRUCTIONS

WARNING:

- This product has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician.
- Never use an extension cord unless the plug can be fully inserted.
- DO NOT ALTER THE PLUG.
- CAUTION: To reduce the risk of fire, electric shock, or injury to persons:
 - Turn off, unplug, and allow to cool before replacing the lamp.
 - Only use the following fluorescent lamps:
 - 15 watt T8 (F15T8) with 24" Strip Light
 - 17-watt T8 (F17T8) with 30" Strip Light
 - 25 watt T8 (F25T8) with 36" Strip Light
 - Not intended for surface installation inside built-in furnishings such as kitchen cabinets, china cabinets or trophy cases.
 - Household use only.
 - It is not intended for wet or damp locations.
 - For use over screen-covered terrariums only.
 - The National Electrical Code (NEC) does not permit cords to be concealed where damage to insulation may go unnoticed. To prevent fire danger, do not run cord behind walls, ceilings, soffits, or cabinets where it may be inaccessible for examination. Cords should be visually examined periodically and immediately

replaced when damage is noted.

SAVE THESE INSTRUCTIONS

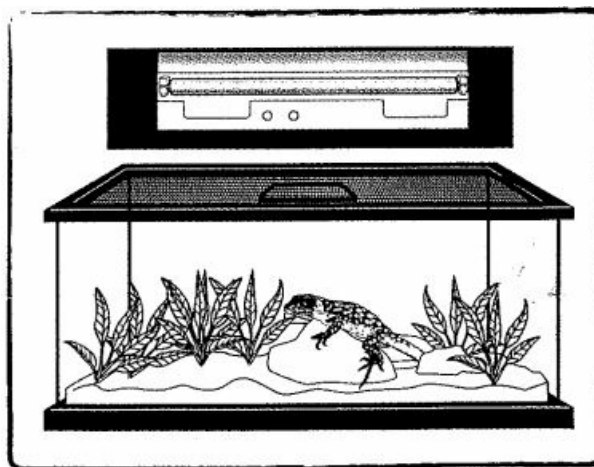

- Electrical Rating 24" Strip Light: 120V, 15w, 60Hz
- Electrical Rating 30" Strip Light: 120V, 17w, 60Hz
- Electrical Rating 36" Strip Light: 120V, 25w, 60Hz

INSTALLATION

1. Make sure to review the "Important Safety Instructions" prior to plugging in and powering on the lighting fixture.
The Zilla Strip Light fixture comes fully assembled. No additional assembly is required.
2. Place Strip Light over covered terrariums only.
3. Do not place fixtures in direct contact with water.

BULB REPLACEMENT

1. Power off and unplug the light fixture.
2. Remove the used bulb by turning it.
3. Install a new bulb.
4. Plug in the light fixture and power on.

Arrange decor inside the terrarium to create hiding places and shaded areas that allow reptiles to move away from UV lamps. In nature, reptiles will bask for part of the day and then move into the shade after basking.

12 MONTH LIMITED WARRANTY

WHAT THE WARRANTY COVERS:

Central Aquatics (Company) warrants this product (see Exclusions below) to the original purchaser against defective material and workmanship that occurs during normal use for 12 months from the date of original purchase. The company will, at the Company's option, either repair or replace the same without charge (no cash refunds will be made).

EXCLUSIONS:

1. Damage resulting from accident misuse, abuse, lack of reasonable care, subjecting the product to any but the specified electrical service, other than normal and ordinary use of the product? subjecting the product to abnormal working conditions or any other failure not resulting from defects in materials or workmanship.
2. Damage resulting from modification, tampering with, or attempted repair by anyone other than the Company.
3. Transfer of product to someone other than the original consumer purchaser.
4. This warranty will not be effective unless and until the Zilla product is shown to have been used by the safety and installation instructions accompanying the product, including the requirement that the product be used over a screen-covered terrarium.

LIMITATION OF IMPLIED WARRANTIES

AND EXCLUSION OF CERTAIN DAMAGES:

THIS CONSTITUTES THE COMPANY'S ENTIRE WARRANTY AND THE COMPANY MAKES NO OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, CONCERNING THE PRODUCT. COMPANY specifically DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IF THE COMPANY CANNOT LAWFULLY DISCLAIM IMPLIED WARRANTIES UNDER THIS LIMITED WARRANTY, ALL SUCH WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY.

COMPANY IS NOT RESPONSIBLE FOR DIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF WARRANTY OR CONTRACT, OR UNDER ANY OTHER LEGAL THEORY. COMPANY EXPRESSLY DISCLAIMS ALL ALLEGED DAMAGES FOR LOSS OF REPTILES, PERSONAL INJURY, AND/OR PROPERTY DAMAGE.

some states and provinces do not allow the exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of implied warranties or conditions, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary by state or province.

FOR WARRANTY /REPAIRS/RETURNS:

Company shall not have any obligations under this warranty unless the owner notifies the Company in writing of any alleged defect (s) within 30 days of discovery of the defect (s). A written notice to Company must be delivered by United States or electronic mail to one of the following addresses:

- **U.S.Mail:** Cenlraf Aquatics 5401 W. Oakwood Park Drive Franklin, Wisconsin 53132
- Electronic Mail: warranty@zilla-rules.com

Company shall be allowed a reasonable period to investigate any warranty claim and to perform any testing the Company deems necessary to determine the cause of the defect This warranty shall be interpreted under the laws of the state of Wisconsin.

For additional information regarding this limited warranty, please contact us at the addresses above, or call us at 888-255-4527.

REPTILE REWARDS PROGRAM

REPTILES SHOULDN'T HAVE ALL THE FUN.

**REPTILES
SHOULDN'T
HAVE ALL
THE FUN.**

REWARD YOURSELF!

- When you buy Zilla brand products, you're buying the best for your demanding little critter. Such a show of commitment deserves a reward. Use your Z-points found on your Zilla packaging, to go shopping for all sorts of new items. You deserve it.

WHAT ARE Z-POINTS AND HOW DO I CITE THEM?

- Every time you purchase a Zilla product, whether it's a reptile kit, bedding, food, lighting, or decor, you'll earn Z-Points. It's our way of saying thanks for purchasing the coolest reptile products on the planet. And they add up quickly.

WHAT CAN I DO WITH MY Z-POINTS?

- Besides envy among your friends, you can get some sweet Zilla merchandise like awesome baseball caps, limited edition posters, sports bottles, mugs, jackets, and T-shirts. The kind that makes people say, "Dude, where'd you get that gear?"

WHO COMES TO PICK UP THE ITEMS, ME OR MY REPTILE?

- You do. This is your reward for taking such good care of your pet. Which isn't to say you can't let your reptile borrow your bandana or wear your hat for a while.

HOW DO I REDEEM MY Z-POINTS?

- It's easy. Just go to: www.zilla-rules.com/rewards page to view and choose the gear you want. Once you've collected the Z-points you need, simply fill out the form and mail the correct amount of Z-point coupons along with the reward request form to the address listed.

Frequently Asked Questions

Can I use the Zilla 100108616 Reptile Strip Light Fixture with any type of fluorescent bulb?

No, you should only use the specified fluorescent lamps that are compatible with the Zilla 100108616 Reptile Strip Light Fixture. The recommended lamps are 15 watt T8 (F15T8) for the 24 inches Strip Light, 17-watt T8 (F17T8) for the 30 inches Strip Light, and 25-watt T8 (F25T8) for the 36 inches Strip Light.

Is it safe to install the Zilla 100108616 Reptile Strip Light Fixture inside built-in furnishings like kitchen cabinets or trophy cases?

No, the Zilla 100108616 Reptile Strip Light Fixture is not intended for surface installation inside built-in furnishings. It should be used over screen-covered terrariums only.

Can I use an extension cord with the Zilla 100108616 Reptile Strip Light Fixture?

It's recommended not to use an extension cord with the Zilla 100108616 Reptile Strip Light Fixture unless the plug can be fully inserted into the outlet. Ensure that the plug is securely connected to a grounded receptacle as specified in the safety instructions.

What should I do if the plug of the Zilla 100108616 Reptile Strip Light Fixture doesn't fit fully into the outlet?

If the plug does not fit fully into the outlet, do not force it. Reverse the plug and try again. If it still does not fit, contact a qualified electrician to address the issue.

Can I use the Zilla 100108616 Reptile Strip Light Fixture in wet locations?

No, the Zilla 100108616 Reptile Strip Light Fixture is not intended for wet or damp locations. It should be used in dry environments and should not come into direct contact with water.

Is there any maintenance required for the Zilla 100108616 Reptile Strip Light Fixture?

Periodically examine the cord of the Zilla 100108616 Reptile Strip Light Fixture for any visible damage, and if the damage is noted, replace the cord to prevent potential fire hazards. It's essential to follow the National Electrical Code (NEC) guidelines to ensure safe cord usage.

Can I use the Zilla 100108616 Reptile Strip Light Fixture with a timer or dimmer switch?

It's generally not recommended to use the Zilla 100108616 Reptile Strip Light Fixture with dimmer switches or timers unless the manufacturer specifies compatibility. Using incompatible accessories can damage the fixture and pose safety risks.

What should I do if the Zilla 100108616 Reptile Strip Light Fixture malfunctions or requires repair?

If you encounter any issues with the Zilla 100108616 Reptile Strip Light Fixture, you should follow the warranty and repair procedures outlined in the product manual. Contact the manufacturer for further

assistance.

Can I use the Zilla 100108616 Reptile Strip Light Fixture with a timer for automated lighting schedules?

Yes, you can use a timer with the Zilla 100108616 Reptile Strip Light Fixture to create automated lighting schedules for your terrarium. Ensure that the timer you choose is compatible with the fixture's electrical specifications.

Is the Zilla 100108616 Reptile Strip Light Fixture suitable for all types of reptiles?

The Zilla 100108616 Reptile Strip Light Fixture is designed for use with reptiles that require UVB lighting, such as many species of lizards and turtles. However, specific reptile species may have varying UVB requirements, so it's essential to consult with a reptile expert or veterinarian to determine if this fixture is suitable for your pet.

What should I do if the Zilla 100108616 Reptile Strip Light Fixture malfunctions within the warranty period?

If you experience any defects or malfunctions covered by the 12-month limited warranty, notify the manufacturer within 30 days of discovering the issue. You can contact the manufacturer by mail or email using the addresses provided in the warranty section of the manual. The company will determine whether to repair or replace the product.

Can I use the Zilla 100108616 Reptile Strip Light Fixture with any type of terrarium or enclosure?

The Zilla 100108616 Reptile Strip Light Fixture is specifically designed for use over screen-covered terrariums. It may not be suitable for use with other types of enclosures. Always ensure that the fixture is safely positioned above the terrarium to provide proper lighting.
