ZMUIPNG

ZMUIPNG 13 IN 1 USB C Docking Station

Product Information

The ZMUIPNG 13 IN 1 USB C Docking Station is a versatile hub that provides multiple ports for connectivity. It is designed for laptops with a built-in USB-C port and offers fully functional ports. Please note that this docking station cannot be used with a USB to USB-C converter.

Compatible Ports

- Thunderbolt 3
- Thunderbolt 4
- USB Type C 3.1 Gen 2
- USB Type C 3.1 Gen 1 (USB-C 3.2 Gen 1 – full function)
- USB Type C 3.1 Gen 1 (USB-C 3.2 Gen 2 – full function)

Incompatible Ports

- USB Type C 3.1 Gen 1 ports
- USB Type C 3.2 Gen 1 ports

Compatibility List (Not full List)

The ZMUIPNG Docking Station is compatible with the following laptop brands and models:

- HP: Compatible with various models
- Dell: Compatible with various models
- Lenovo: Compatible with various ThinkPad, IdeaPad, and Legion models
- Microsoft Surface: Compatible with Surface Laptop, Surface Pro, and Surface Book models
- Asus: Compatible with various Zenbook, TUF Gaming, and ROG models
- Acer: Compatible with various Swift, Spin, Predator Helios, and Aspire models
- Samsung: Compatible with various Galaxy Note, Galaxy S, Galaxy Tablet, and Chromebook models
- Huawei: Compatible with various MateBook and MediaPad models (Not Support MST)
- Apple: Compatible with MacBook, MacBook Pro, MacBook Air, iMac, iPad, and iMac Pro models
- Other: Compatible with Pixel, Google Slate, and other select models

Product Usage Instructions

Step 1: Connecting the Docking Station

To use the ZMUIPNG Docking Station, follow these steps:

1. Connect the docking station to your laptop's built-in USB-C port using the provided USB-C cable.
2. Make sure the docking station is securely connected.

Step 2: Connecting Devices

The ZMUIPNG Docking Station offers a variety of ports for connecting devices. Follow these instructions to connect your devices:

USB Devices

1. Connect USB devices such as a keyboard, mouse, or external hard drive to the available USB ports on the docking station.
2. Ensure that the devices are properly connected and recognized by your laptop.

Display Devices

1. Connect a display device such as a monitor or projector to the HDMI or DisplayPort on the docking station.
2. Make sure the display device is powered on and set to the correct input source.
3. Adjust the display settings on your laptop to extend or mirror the screen.

Audio Devices

1. Connect headphones, speakers, or other audio devices to the audio jack on the docking station.
2. Ensure that the audio devices are properly connected and recognized by your laptop.

Network Connection

1. If you require a wired network connection, connect an Ethernet cable to the Ethernet port on the docking

station.

2. Make sure the network cable is properly connected and recognized by your laptop.

Other Ports

The ZMUIPNG Docking Station may also feature additional ports such as SD card slots, USB Type-C charging ports, and more. Please refer to the user manual for specific instructions on using these ports.

Specifications

- Product: ZMUIPNG 13 IN 1 USB C Docking Station
- Compatible Ports: Thunderbolt 3, Thunderbolt 4, USB Type C 3.1 Gen 2, USB Type C 3.1 Gen 1 (USB-C 3.2 Gen 1 – full function), USB Type C 3.1 Gen 1 (USB-C 3.2 Gen 2 – full function)
- Incompatible Ports: USB Type C 3.1 Gen 1 port, USB Type C 3.2 Gen 1 ports

Important Note

Only applicable to laptops with built-in USB C ports Fully Functional Ports , this USB C hub can't be used with USB to USB C converter. Please make sure whether the built-in USB C port of your laptop.

If you aren't sure what functions the built-in USB C port of your computer supports, please let us know, we are happy to help you check if this docking station is compatible with your device. Or you can contact your laptop supplier to check which functions support your laptop.
